Introducing TransX's New Customer Toolbox:

You'll immediately see the difference the moment you [log in](#). Our brand new interface provides more search criteria, automatic reporting and faster access to details.

- **Expanded list of over 30 searchable criteria.** Instant tracking of any shipment by BOL, PO and PRO. Fast and full detail for service level, delivery status and shipper/consignee contacts reporting.
- **Save your searches.** Searches required on a regular basis can be created once with no need to repeat the process.
- **Export and email.** Search results can be automatically exported and brought into your system on Excel. Automatic emailing to one or more addresses right from the toolbox.
- **Get the big picture and fast!** All you have to do is log in!
